Conveniently located off Interstate 80, Oak Hills Country Club is at the heart of the Omaha metro. The Club features an 18-hole golf course, six-lane pool, hard-court pickleball and tennis courts and a 28,000-square foot clubhouse.

Known as one of the area's finest golf courses with just the right amount of challenge, this 18-hole course covers 120 acres and has a reputation of being one of the best maintained in the region. The course consists of A-4 bent grass greens, bent grass tees and fairways and bluegrass/rye roughs. In 2018, the Club completed a 1.8 million dollar renovation of its back 9 including new water features, rock walls, a complete redesign of 6 holes, and an 18-hole bunker renovation using the "Better Billy Bunker System" with white angular sand!

Selecting a golf outing location

When choosing a location to hold your next golf outing, there are a number of important factors to consider including convenience, professionalism and value. Also, why play courses that many of your customers and clients have already seen? Give them a Private Club experience that they normally cannot get unless accompanied by a member. This will be sure to increase your numbers.

Oak Hills Country Club and its staff are here to serve, from the pre-event planning to execution. You have the choice between four all-inclusive tiered packages when planning your golf outing at Oak Hills.
